Italian bruschetta delights the palate with a harmonious symphony of flavors. The initial crunch of the toasted bread introduces a rustic note, paving the way for the burst of juicy, sun-ripened tomatoes. These tomatoes bring a sweet and tangy melody, complemented by the fresh, aromatic dance of basil leaves. The ensemble is then tied together with the rich, velvety undertones of extra virgin olive oil, creating a balanced and savory crescendo. Each bite is a journey through the essence of Italy, where simplicity meets sublime taste.

## WHISPERS OF WOOD, DANCE OF FLAMES

Bella Vita by Leonardo, known as one of Sri Lanka's finest, has mastered the technique of woodfired pizza. Our pizza is crusty on the outside and juicy on the inside, bringing the authentic flavor of Italian pizza to the table, courtesy of our exposure in Italy.

Our extremely skilled chefs mix flour and water with extra virgin olive oil and knead it for hours to make the ultimate pizza dough, which smells out the aroma of authentic pizza dough, which is only then tossed in to the woodfire oven.
